Dear Mr. Norrell:

I am enclosing my company name change letter; ATF Mfg. License (copy) and photo.

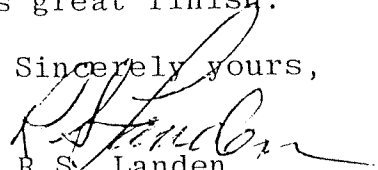

I plan to have post card size photos with the info on the back, made up for mailings.

I believe in giving credit where credit is due. Thanks to your MOLY-RESIN finish, I have an exterior finish that works.

I hope the wording is acceptable to you for publication purposes??

Thanks again for coming up with this great finish.

Sincerely yours,

R.S. Landen
