John, I am in love with your Moly Resin coating (TM)! I have been using it since you sent me that first batch in August and have been extolling the virtues of your product far and wide. What I need is more! ;-) I have run out!

Before I send you another money order/or COD it I wanted to make sure your prices are the same. If they are I am ready to send payment/or use COD. Here is what I would like:

1 quart of European Olive Drab @ \$45
1 quart of flat black @ \$45
1 quart of flat grey @ \$45
1 quart of Semi-gloss Black @ \$45
Or Total at the gallon price of \$145

I need this as soon as possible, so will pay the COD price if that is quickest.

I would like to know what the fastest possible arrival time would be. Thanks again.
