Dear Norrell Arms,

I'm writing to place an order for your Moly Resin finish. I would like a quart of the grey-black and of the black.

Please find a check enclosed for \$~~700.00~~. I am not sure if this is the current price. It has been awhile since I last ordered. Please bill me for any balance due.

Thank you for a wonderful product. I've been using it on all my firearms for years and have no complaints on it's durability. Now I'm looking into refinishing other's firearms. Earn some shooting money!!

paid

Thanks again
