Robert,

As usual, your work is incredible! I can't believe those old, ugly mags now look the way they do. Also, that lower receiver you sent back was first painted by Spec-Ops Shop in Florida. It looked fine to start ...but I just knew your work would be so much better. As it turns out I was right!

Thanks!

Bird

P.S. That package made it here in one day according to tracking information. Not bad for UPS Ground Service, eh?
